Dear Author(s),

Congratulations!

We are pleased to inform you that your paper titled “**Intelligent Traffic Signal Optimization Using Deep Reinforcement Learning**” has been Accepted for the 2nd International Conference on Intelligent Systems and Computational Networks (ICISCN-2026) Organized by Lingaraj Appa Engineering College, Bidar, Karnataka.

The conference proceedings will be submitted to the IEEE Xplore® digital library.

Note: This acceptance has been sent again as requested by the authors.

Thanks for your understanding and cooperation.
