ACKNOWLEDGEMENTS

I would like to express my heartfelt gratitude to the management of Vels Institute of Science, Technology, and Advanced Studies (VISTAS) for their best support. I express my sincere thanks to my family for their endless support, encouragement, and constant belief in me throughout this challenging journey. I extend my sincere deepest heartfelt gratitude to my Research Guide Prof.Dr.K.Dharmarajan, for his unwavering guidance, blessings, and for providing me with the opportunity to embark on this challenging and innovative work. I also express my heartfelt gratitude to my dear best friend and constant supporter, Dr. K. Abirami, for her timely constant support and creative ideas. This book is dedicated to them, whose influence has profoundly shaped my life. I extend my sincere thanks to the charulatha publications for her kindly co-operation and for publishing this book. Lastly, I express my sincere gratitude to the readers who will engage with this work. Your interest and involvement make this effort meaningful, and I hope the ideas and knowledge within these pages resonate with you. Any suggestions for enhancing the book further will be greatly appreciated.
