Dr. R. Sonia
Ms. Akanksha Singh
Ms. Pooja Verma
Dr. N. Kumar

Dr. R. Sonia, working as an Assistant Professor (Sr.Gr.) in the Department of Computer Applications at B S Abdur Rahman Crescent Institute of Science and Technology, has around 23 years of experience. She graduated in Mathematics and Masters in Computer Applications from Madurai Kamaraj University and also secured Master of Engineering in Computer Science and Engineering at Sathyabama Institute of Science and Technology, Chennai. She has completed her Ph.D degree in Computer Science and Engineering from Sathyabama Institute of Science and Technology, Chennai. She has published more than 35 papers in various International and National Journals. She served as reviewer for various journals. She has published 3 Books and 3 Patents. She has received "Asia Pacific Excellence award", Best Teacher award and Best innovative teacher award for her academic and research contributions. Her areas of research include Artificial Intelligence, Data Science and Machine learning. She is a life member of ISTE and IEL.

Ms. Akanksha Singh is presently working as an Assistant Professor, Department of Computer Science and Engineering. She has a total of 11 years of Teaching, and Research Experience. Her Research areas include Machine Learning, Remote Sensing and Computer Vision.

Ms. Pooja Verma completed her B. Tech and M. Tech in the Computer Science and Engineering Department. She received the Gold medal for her post-graduation degree. She was associated with the department of computer science and engineering, Babu Banarasi Das University Lucknow Uttar Pradesh as an assistant professor for 6 years. Presently she is pursuing her Ph.D. from RGIPT Jais Amethi. She is also a member of Soft Computing Research Society (SCRS). Reviewer along with technical team members of conferences associated with SCRS. Also, Reviewer of SCI journal with greater than Impact factor 5. Her Research Interests include Information security, Network Security, Security for IoT based application areas like Intelligent Healthcare System etc., Blockchain and machine learning based data security.

Dr. N. Kumar is currently working as a professor in the Department of Computer Science and Engineering at Vels Institute of Science, Technology, and Advanced Studies, Chennai. He obtained his Ph.D. in computer science and engineering in 2015 at Karpagam University, Coimbatore. He has 17 years of teaching experience in the field of computer science and engineering. He has published 83 articles in international journals and presented 46 papers at international conferences. His research areas are computer networks, mobile ad hoc networks, WSN, cloud computing, image processing, network security, big data analytics, and machine learning.
