ACKNOWLEDGEMENT

Writing a book is harder than I thought and more rewarding than I could have ever imagined. I'd like to express my gratitude to my family, teachers, and friends for their unwavering support and encouragement. This book is dedicated to my wonderful Parents Mr. M. Nithyanandam and Mrs. N. Girija Nithyanandam and also to my loving Wife, Mrs. S. Sudarvizhi Gopinath, for their unending love and support. This book is also dedicated to my darling daughter N.G. Harshavardhini, who provides me with constant inspiration and joy. I am grateful to my colleagues in the department and the administration at Sri Sairam Engineering College in Chennai for motivating me to write this book. I'd also like to thank my co-authors for their extensive conversations and insightful ideas, which have tremendously aided in the refinement of this work.

N. Gopinath

I would like to acknowledge my indebtedness and render my warmest thanks to almighty and friends for their valuable support and constant encouragement. This book is dedicated to my wife Mrs.K.Sangeetha for her endless love and support. I also dedicate this book to my lovely kids K.Keerthi and K.Bojavarshan who are the source of endless inspiration and joy in my life. I thank Department Colleagues and Management of Vels Institute of Science, Technology and Advanced Studies (VISTAS), Chennai for encouraging me to write the book.

Dr. N. Kumar

I wish to record my deep sense of gratitude and profound thanks to my family, teachers, and friends for their unwavering support and encouragement. I am grateful to my management, colleagues in the department and the administration at Coimbatore Institute of Technology in Coimbatore for motivating me to complete this book. I'd also like to thank my co-authors for their extensive conversations and insightful ideas, which have tremendously aided in the refinement of this work. Finally, my heartfelt gratitude flows in abundance towards the Almighty for making this book a success.

Sathya K

I would like to express my heartfelt gratitude and sincere appreciation to my family, professors, and friends for their unfailing support and encouragement. I owe my completion of this book to my management, departmental colleagues, and the administration at Sri Sairam Engineering College, Chennai. I'd also like to express my gratitude to my co-authors for their lengthy discussions and intelligent suggestions, which have greatly contributed in the refining of this work. Finally, I express my profound appreciation to the almighty for making this book a success.
