Greetings from the Organizing Committee of the **3rd International Conference on Global Trends in Engineering, Technological Advancement (ICGTETA 2026)**.

We are pleased to inform you that your paper titled “**An IoMT-Based Smart Intravenous Drip Monitoring System with Automated Flow Control and Alert Generation**”, authored by **Dr. K. Karunakaran**, has been successfully reviewed and accepted for presentation at **ICGTETA 2026**.

Your submission has been evaluated by our review committee and meets the required standards in terms of originality, technical quality, and relevance to the conference theme.

Kindly confirm your participation and complete the registration process within the stipulated deadline to ensure inclusion in the conference proceedings.

Further details regarding presentation guidelines and the conference process will be shared shortly.

We congratulate you on your excellent work and look forward to your valuable contribution to the **3rd International Conference on Global Trends in Engineering, Technological Advancement (ICGTETA 2026)**.

If you have any queries, please feel free to contact us.

**Warm regards,
Conference Editor
ICGTETA 2026 Organizing Committee**
