

About the Authors

Dr.S.Rasheed Mansoor Ali Assistant Professor, Department of Computer Science, Jamal Mohamed College, (Autonomous), Affiliated to Bharathidasan University, Tiruchirappalli, Tamil Nadu, India. he is an Accomplished Academician with over 15 years of Teaching Experience and 5 years of Research Expertise in Computer Science. He Holds a Ph.D., in Computer Science and Specializes in Big Data Analytics, Machine Learning and Artificial Intelligence. He has Authored more than 10 Academic Books, including Data Science with Python, Ethical AI and Cryptocurrencies: Bitcoin, Blockchain and Beyond. He has Published Numerous Research Papers in Reputed International Journals and Conferences, Focusing on Areas such as Student Performance Analysis and Neural Networks. A Recipient of the Best Author Award and the Educational Supporter Award (IHERD, IIT Madras Research Park), he Actively Participates in Seminars, Workshops, and Faculty Development Programs (FDPs). He also Holds Multiple Patents and Copyrights in the Fields of AI and Educational Technologies. he is a Life Member of Several International professional Bodies and Serves as a Board of Studies Member at his Institution. He is widely Recognized for his Contributions to Creating Awareness on Sustainable Development Initiatives.

Dr.A.S.Arunachalam is a Professor in the Department of Computer Science and Information Technology at Vels Institute of Science, Technology and Advanced Studies (VISTAS) in Chennai, Tamil Nadu, India. He has Published over 56 Articles, including Conference Proceedings, and Authored 8 Books. He has Guided more than 10 M.Phil. Research Scholars and Awarded 10 PhDs, Currently Guiding 8 Ph.D Scholars. His Expertise includes Data Mining, Image Processing, Blockchain, Networking & IoT and Data Science.

R.Nirmala is an Assistant Professor in the Department of Computer Science at Jain College (Autonomous), Bengaluru, Karnataka, with over 21 years of Teaching Experience. She holds M.Sc., M.Phil., MCA and B.Ed., degrees and has Qualified the UGC-NET Examination. She has Actively Participated in Several National and International Seminars, Conferences, Workshops, Webinars and Faculty Development Programmes (FDPs). Her Academic Contributions include 5 Research Articles Published in International Journals and 15 Papers Presented at International Conferences. She has Published 4 Patents, Authored 13 Book Chapters and Written 4 Books: Cyber Security, Fundamentals of Machine Learning, Data Mining and Warehousing and Next-Generation Wireless Communication. She has Received Several Awards for her Academic Excellence, including the Best Senior Faculty Award (2024), Innovative Teaching Award (2025), Best Faculty Award (2025) and Best Academician Award (2026). With her Rich Teaching Experience and Research Contributions, she Continues to make Valuable Contributions to the Field of Computer Science.

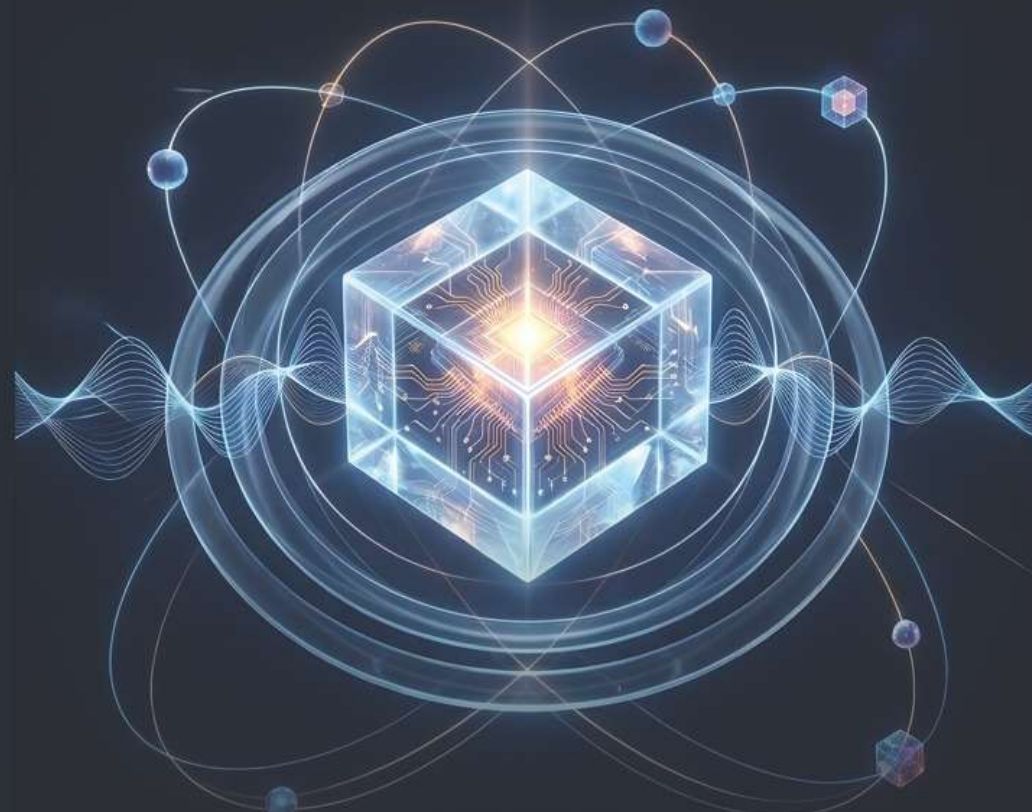

Dr.Putti Venkata Siva Teja is an Assistant Professor in the Department of Information Technology at Dhaneekula Institute of Engineering and Technology, Vijayawada, with over 11 years of Teaching Experience. He holds a Ph.D., from Annamalai University, Chidambaram, an M.Tech., in Computer Science and Engineering, an M.E., in Computer Aided Design and a B.Tech., in Mechanical Engineering. He has Published over 25 Research Papers, Authored Several Book Chapters with Reputed Publishers and Holds 7 Utility Patents and 15 Design Patents. His Research Interests include Theoretical Computer Science, Quantum Computing, Machine Learning, NLP, Distributed Computing, Big Data, Cloud Computing and IoT.
